

2018 Western Speed Association welcomes all Late Model Teams to our 2018 Campaign!

With a great kick off year in 2017, we are ecstatic to see what 2018 will offer! In 2017 we had over 30 cars that drew drivers from Washington, B.C, Alberta, and Saskatchewan! In 2018 we look to expand our reach even further!

The 2018 race season will consist of 7 points races over 6 race days. How is that you may ask?! Instead of having two separate races at Edmonton International Raceway, there will be a twin 100 race with points being awarded to the finishing order of both 100 lap main events!

In Saskatoon, there will be 5 races at Wyant Group Raceway, all consisting of 150 laps. Unfortunately, due to some restructuring with Market Tire's Marketing Strategy, they respectfully were not able to return for our 5 races in 2018. Endings always result in new beginnings though and we are proud to announce that Denray Tire and BFGoodrich have become our new title sponsor for the 5 races here in Saskatoon.

To help further the excitement with travelling to Saskatoon for 5 race events, we have brought on a couple more sponsors to help entice and stir the excitement across Western Canada!

There will be a brand new VanDoorn chassis up for grabs for the top finishing registered car at Wyant Group Raceway. How do you become a registered car in Saskatoon you may ask? Easy! Visit: www.wyantgroupceway.ca or contact Matthew Shirley at mattshirley@sasktel.net for more details!

The advertisement has a purple border. At the top left, it says '@VanDoornRacingDevelopment' with social media icons for Facebook, Instagram, and Twitter. The main image shows a black race car with the number 21, sponsored by 'KBR DEVELOPMENT' and 'VanDoorn Racing Development'. Below the car, the text 'VanDoorn Racing Development' is written in a stylized font. At the bottom right, the phone number '1 616-414-9071' and 'MUSKEGON MI' are listed. At the very bottom, a list of services is provided: 'CHASSIS • PAVEMENT AND DIRT SHOCKS • SETUPS • FABRICATION • PARTS FOR THE RACING WORLD'.

As well we are very excited to announce that the Quality Inn will be the official Hotel Sponsor for the WSA races here in Saskatoon! With this partnership, any teams that are travelling **out of province will be eligible for 1 free night** (two doubles) and then an amazing **discounted rate of \$89.00 after that!** Free rooms are limited and the only way to book through Matthew Shirley. Please contact him at mattshirley@sasktel.net or call 306-956-3213 to book or if you have any other questions.

This discount rate will be available to all drivers and teams ANY TIME. If you for any reason are in Saskatoon throughout the 2018 year, this promo code will be eligible to be of use for ANY of you! Please reserve your rooms using the **promo code (WGR).**

A huge thank you is in order to both tracks for pulling together to make this happen so we can once again have a series that races between the two provinces. Both tracks will call the series races at their respective tracks, The Western Speed Association. They will each have their own naming rights sponsor for the series at their track, as well as Race Day sponsors.
